

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Finger Painting with God Lesson 1.

THIS WEEK'S LESSON: DAY, NIGHT, SKY, AND SEA

Use these four common times in a preschooler's day to reinforce this week's lesson:

DRIVING:

Play some worship music in the car. Pray together thanking God for making light, the day and the night, the water and the sky.

PLAYING:

Next time your little one builds something, ask them about it: what they want it to look like, how tall will it be, why they are building it. Talk about how God made the entire universe by just speaking.

EATING:

Before your meal, thank the cook for making your food. Then thank God for creating all that we have.

SNUGGLING:

As you plug in their nightlights at bedtime, remind your little ones that the first thing God made was light. Let them know God loves them and is watching out for them.
